"Man cannot live by bread alone," but our existence depends upon the satisfaction of both spiritual and physical needs. Too often we leave many things unsaid, and our appreciation to the one who fills our physical needs has gone unspoken. In sincere gratitude for your endless, day-to-day labor, we dedicate this yearbook to our own, BRYANT SMILEY.

The entire faculty and student... wish for Colonel and Mrs. a happy life in their new home in Dandridge.

The student increase is expected to continue, thus creating a need for an extensive building program which is also in the planning for Hiwassee College.

palachia, Virginia, where he was, among other things, a star footballer, Larry (Mouse) is in the Liberal Arts Curriculum. He hopes to complete his education at Berea College in Kentucky.

Larry is one student who, you might say, has lived in a dormitory all his life—he comes from a family of twelve. During summer vacations Larry is employed by the Interstate Railroad and in this way he pays his own way through school.

An outstanding Sophomore, Larry is treasurer of the class and circulation manager for the *Hiwasseean*; but his pride and joy is his position as official head of the sanitation department, which he swears is a "labor of love".

SUB-DISTRICT MYF MEETS

The Hiwassee College MYF will play host to the Hiwassee Sub-district for their annual Valentine Banquet on February 6 in Rhymer Hall. Hiwassee will arrange the program and the decorations.

pected arrival early in February of a Commission of Higher Education. The Commission will remain at Hiwassee for three days doing an extensive study of the entire school system.

MONROE COUNTY TALENT ROUNDUP

The Phi Theta Kappa Fraternity will present the Monroe County Talent Roundup sometime near the middle of February. This is a show comprised of talent from all over Monroe County and the Hiwassee Campus.

If you are talented in the fields of pop music, rock and roll, spiritual or instrumental music, and wish to participate in the show, please contact Connie Mack Farmer, president of Phi Theta Kappa.

This talent show will be one of the biggest college efforts of the season, so plan to attend!
